

RETRO5 Series 150W to 350W LED Retrofits

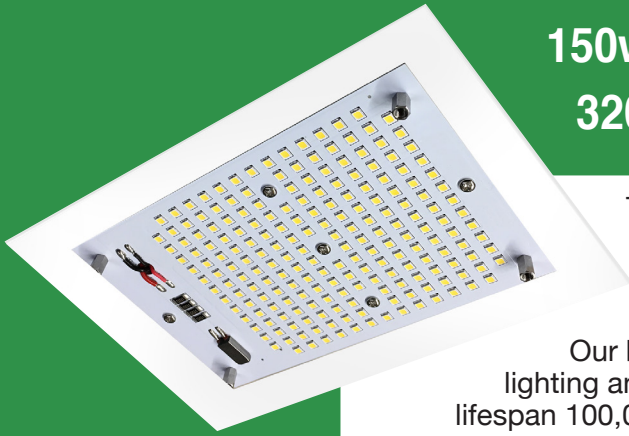

LED Conversions, Inc.

150w, 200w, 280w,
320w and 350w

50B Northwestern Drive, Suite 10
Salem, NH 03079

Phone: 603-898-1144

Fax: 603-218-6086

The Retro5 Series LED retrofits are brilliantly designed as a perfect replacement of 400+W to 1,500W units. Our custom designed, just-trim-to-fit mounting system allows fast and easy change out in your existing fixtures.

Our bright LED light engine provides substantial power savings, optimal lighting and superior heat management. Each LED in the array has a rated lifespan 100,000+ hours, depending on location.

Features

- Up to 100,000 hours per DOE testing at 155 lumens per watt
- 10 Yr. Manufacturers registered warranty
- Maintenance Free
- Return on Investment between 18 and 40 months
- Green Product

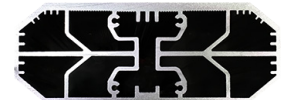

Environmental

- Contains no Mercury or Lead
- Does not produce UV Rays

- State of the art circuitry and ultra bright LEDs
- Patented heat sink design provides substantial cooling for longer life
- Dimming available
- Ideal short circuit, over voltage and over current protection
- Operating temperature: -25°C to +55°C
- L70 lifetime of 100,000 hours
