

# Airia Architectural Light

## LED Area Light

50B Northwestern Drive, Suite 10  
Salem, NH 03079

Phone: 603-898-1144  
Fax: 603-218-6086

The stylish, minimal silhouette of the Airia compliments a wide range of applications while providing excellent area lighting. Environments featuring the Airia include public parks, streets, and college campuses. This sleek fixture brings an upscale feel to any location.

The Airia is precision manufactured from Die-cast aluminum. Modular quantities of LEDs can be adjusted on site to fit specific light distributions.

The Airia offers years and years of virtually maintenance free service while providing significant energy savings and costs.
